

Your Career Begins with Corinthian Colleges, Inc.

Start a new career, make that career change, or advance in your current career. Whatever your goal, Corinthian Colleges, Inc. (CCi) can help you make it happen.

With a presence in over 20 states and seven Canadian provinces, CCi comprises one of the largest for-profit postsecondary academic systems, serving more than 52,000 students.

The colleges under the Corinthian umbrella offer Master's, Bachelor's and Associate's degrees as well as diploma programs in a variety of exciting fields, with an emphasis on career training in Health Care, Business, Criminal Justice and Information Technology. Continual growth and expansion has allowed for the addition of several technical programs and courses, ranging from Automotive Technology and Aviation Maintenance to HVAC and Plumbing Technology.

Each of Corinthian's colleges offer essential, up-to-date career skills and training, giving students a competitive edge in the workplace.

With over 90 colleges in the United States and over 35 colleges and 15 corporate training centers in Canada, the company has a solid presence in North America. If an educational need exists, Corinthian has a school and career-training program to fulfill that need.

Corinthian is committed to taking care of its students, and will help them become successful. CCi's colleges always abide by the following mission:

- ▶ To provide comprehensive career training and education to qualified students without regard to age, race, sex, handicap, color, or creed
- ▶ To serve the needs of the community by providing well-educated and skilled individuals for employment in productive positions in society
- ▶ To prepare men and women with the necessary tools to succeed in business, computer, medical and technical fields
- ▶ To instill a sense of responsibility and loyalty to future employers
- ▶ To ready graduates for success and the challenges of society
- ▶ To maintain the superior quality of the colleges, including faculty, course content, teaching methods and related tools

See advertisement on inside back cover.

Most Corinthian campuses offer career planning and placement assistance, financial aid for those who qualify, and day and evening classes, to accommodate students' busy schedules.

Corinthian also provides students with the opportunity to participate in a virtual classroom with fmuonline.com. Students can work toward Associate's, Bachelor's, or Master's degrees completely online. The convenience of the up-to-date curriculum makes the online classes an excellent choice for anyone who works full-time.

The online degree programs from fmuonline.com include Master's degrees in Business Administration and Criminal Justice, Bachelor's and Associate's degrees in Accounting, Business, and Criminal Justice, and a Legal Assistant/Paralegal Associate's degree.

With training from a Corinthian school, you'll be prepared to enter the intense job market in less time than you think. For more information about Corinthian Colleges, Inc., or to find colleges near you, please visit the website at www.cci.edu or call toll-free at 888-616-1334. ♦
