

Yukon College is a comprehensive community college providing adult education and training. We are a distinctively northern college offering a broad range of programs.

The main college buildings are on the Ayamdigut Campus in Whitehorse, the capital city of the Yukon. There are also college programs and facilities in eleven communities in the Yukon. Yukon College houses the Northern Research Institute and is part of the University of the Arctic.

"Right from the start the instructors stuck by my side and helped me see my dreams come true."

Shirley Dawson
Kwanlin Dun First Nation
Health Care Worker

"The College instructors are supportive. They helped me realize I can still learn even though my learning style is different."

Meta Williams, Wolf Clan
Carmacks - Little Salmon First Nation
