Ottawa • Smiths Falls • Toronto • Cobourg • Thunder Bay • Barrie  
Sault Ste. Marie • Belleville • London

Willis College of Business, Health & Technology and TeKnoWave Inc. are proud of its association with Elder and Grandfather Dr. William Commanda and have chosen to establish The Dr. William Commanda Scholarship in Clean Energy and Business Education.

The scholarship will be awarded annually to eleven Aboriginal students from across Canada. The scholarship will accommodate one Aboriginal person, per location, to take one program in clean energy or business valued at \$10,000. The scholarship provides tuition and book cost for a one year program at Willis College. The student may select courses and choose which Willis College location they wish to attend.

Any Aboriginal student in Canada can apply directly through Willis College by June 1st. The candidate selection will be made by the Dr. William Commanda Scholarship Board of Trustees and will entitle the winner to attend the program of his/her choice at any of the Willis College campuses across Ontario.

The scholarship application and guidelines can be found at: [http://www.williscollege.com/dr\\_william\\_commanda\\_scholarship.php](http://www.williscollege.com/dr_william_commanda_scholarship.php) ♦
