Engineers - Consulting

**Sustainable
Engineering**

Associated Engineering has worked with small communities throughout Canada for more than 60 years. The key to our success is our ability to work with communities to identify needs, incorporate community input, and develop appropriate engineering solutions. Our commitment is to provide cost-effective solutions that are easy to operate and maintain.

AE Associated Engineering
GLOBAL PERSPECTIVE.
LOCAL FOCUS.

Construction

**Build a Future
on a Great Tradition**

"I could never picture myself behind a desk ... I thought [ironworking would] be a neat job, being up in the air."

—Robyn Garlow, apprentice ironworker,
Six Nations of the Grand River, ON

It's a great career that lets you make a good living, travel, and share in the team spirit and pride of helping to build the world we live in.

Find more about the tradition, rewards and benefits of ironworking, and what it takes to become an apprentice at:
